**WHO:** The Alameda County Congestion Management Agency (ACCMA) is hosting this event. Event speakers include: Supervisor Scott Haggerty, County of Alameda, Councilmember Robert Livengood, City of Milpitas, Mayor Robert Wasserman, City of Fremont, Bijan Sartipi, District 4 Director, Caltrans.

**WHY:** This event signifies the completion of the construction of 3 ½ miles of soundwalls along the I-680 freeway in the cities of Fremont and Milpitas. The soundwalls will provide relief from freeway noise. They are one of the many components of the overall plan for the I-680 Corridor that will include an HOV lane in the northbound direction and SMART Lanes.
